

**Adams County Christian School Enrollment Contract  
2020-2021**

**Returned Checks:** The return of a check by the bank for any reason constitutes nonpayment. In addition to the fees that may result from the return of a check, a \$40 service charge will be assessed by the school for the first occurrence. For any subsequent occurrence, a \$45 service charge in addition to applicable fees will be assessed. Returned checks and drafts may be re-submitted for payment.

**Tuition Payment Plans:** The tuition payment plans available are described in the enrollment contract. No other payment plan is available. The payment plan selected on the enrollment contract applies to the entire school year. All bank financing tuition payment plans must remain current. Failure to remain in compliance with the terms of a bank loan WILL NOT terminate the enrollment contract or eliminate any fees that may be due and owing on the student's account. Any loans that are recalled by the bank may result in the immediate dismissal of the student as well as the inability to choose bank financing as a tuition payment option in the future. After a loan is recalled, full and complete payment of all tuition and fees owing is required before the student will be allowed to return to Adams County Christian School.

**Unpaid Balances:** No student will be permitted to begin classes at Adams County Christian School if any balance of tuition, fees, or other charges from a previous school year remains unpaid for that student or any sibling of that student. No student will be permitted to begin classes if, on the first day of school, the student's account or his/her sibling's account is not up to date, including tuition, fees, and other charges as of that date. No student will be permitted to (1) participate in any school-sponsored extracurricular activity, or (2) take first or second semester exams (or in the case of students in grade PK3 through 6, attend classes the last two weeks of the semester) if any tuition, fees, or other charges relating to that or any prior semester remain unpaid for the student or his/her sibling. If for any reason a student's account or his/her sibling's account is not current at any time with regard to any tuition, fees, or other charges, the school reserves the right, and the signatory grants to Adams County Christian School the right, not to release or forward grades or the official transcript to a receiving school until all monetary obligations relating to the student or his/her sibling are paid in full. Adams County Christian School has the right to turn over any delinquent account to a third party for collections with the signatory parent or guardian liable for all costs related to such matter, including attorneys fees.

**Removal of Student:** Adams County Christian School reserves the right to remove a student at any time if, in the sole judgment of the Headmaster, the student's diligence, progress, conduct, or influence on or off campus is not in keeping with the school's standards, or if the parental contact is deemed inappropriate. In such event, there will be no refund of tuition, fees, or other charges, and any unpaid balance assessed to the student's account shall be immediately due and payable.

**Withdrawal of Admission Offer:** With regard to any accepted or enrolled student, the Headmaster may withdraw an offer of admission or enrollment and void any enrollment contract if, in the Headmaster's sole discretion, information develops, is received, or is considered that suggests the inappropriateness of attendance of that student at Adams County Christian school.

**Nondiscrimination:** Adams County Christian School admits qualified applicants of any race, color, ethnicity, national origin, religion, or sex to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate in violation of the law on basis of race, color, ethnicity, national origin, religion, or sex in the administration of its educational and admissions policies,

**Policies:** We, the undersigned parent(s) and/or guardian(s), wish to enroll the student for the 2020-2021 school year under the tuition, payment plan, terms, and conditions described in this contract. Based on the payment plan selected herein and subject to the following terms and conditions, we understand and agree to pay Adams County Christian School the applicable annual tuition fees and charges for the child enrolled. We understand that no child may attend classes until this contract, signed by parent(s) or guardian(s), registration fees, and all tuition due according to the selected payment plan have been received by the school. We agree that this contract is a commitment to enroll our student for the entire 2020-2021 school year. We agree that all exceptions to this commitment will be governed by the withdrawal and refund policy. We understand that all requests for a waiver of an obligation under this contract not provided in the withdrawal and refund policy must be made in writing to the Headmaster. We agree that any privileges of attendance at the school may be withdrawn from the student for academic reasons, failure to abide by the rules and regulations of the school, failure to pay monetary amounts due under this contract, and parental/guardian conduct that is deemed inappropriate in the sole discretion of the Headmaster. Admission as a student at Adams County Christian School pursuant to this enrollment contract and registration are conditional upon satisfactory completion of all academic requirements for the grade in which the student is registered and compliance with the behavioral standards and code of conduct of the school. We understand and agree that no official student records will be released or forwarded until all money due the school has been paid. If Adams County Christian School is required to retain legal counsel to enforce the terms of this agreement, we understand and agree that we will be responsible for legal fees and costs incurred by the school. We hereby give permission for our child to leave Adams County Christian School on scheduled field trips and school-sponsored events, and we understand that the policies and procedures of the school, which may be changed at anytime, will be in effect. We give permission for Adams County Christian School to drug test a student, with or without notice, during the school year and agree that if the student refuses to comply with testing procedures, the school has a right to terminate this contract. We agree to show our support for the school by participating in school functions, whenever possible, and by publicly supporting the school in a positive manner, which includes the agreement to never use social media to air a grievance or concern. In the event of an emergency, on campus or off, the school has permission to take our child to a healthcare facility for medical treatment.

We release the school and its legal representatives from all claims and liability relating to said images or video. Furthermore, we grant permission to use statements that are given during an interview or guest lecture for the purpose of advertisement and publicity without restriction. We waive our right to any compensation. We agree to have our name, address, phone number, and email published in a school directory or to let the school know, in writing, at the time of registration if we wish to opt out of this requirement.
