

INSTRUCTION SHEET FOR NEW STUDENTS
2020-21 ACCS APPLICATION PROCESS

Step 1: Make an Appointment with an Administrator

In-person interviews are required prior to the enrollment of any new student at ACCS. Parent(s) and/or guardian(s) are required to attend along with the potential student. Please call the school to make an appointment and/or request to tour the school. Appointments and/or interviews may also be requested via email at info@adamschristian.org.

Step 2: Obtain, Fill Out and Return Application with Necessary Paperwork

Fill out all paperwork in the Application Packet, including signing the release authorizing ACCS to obtain the necessary academic and discipline records from the student's current school. Gather and return the necessary paperwork with regard to the student's biographical information.

After you receive confirmation that your child is eligible to attend or confirmation of acceptance to ACCS, then proceed to **Step 3: Instruction Sheet for Returning Students**.

Step 3: Follow Instructions for New Students: AC Enrollment 2022

Go to the AC website at www.adamschristian.org, click the button labelled Online Enrollment for New Students (to be completed only after the student has been notified of eligibility or acceptance to AC) and follow the instructions. Email any questions to accsregistration@adamschristian.org. Our preferred method is online enrollment; however, there is a copy of the Enrollment Contract under the Admissions section of our website, if you prefer to download and turn in directly to the school. If you do not have access to this form via the internet, then you may obtain a manual Enrollment Contract from the High School Office..

For any questions regarding the Enrollment or Application Process, please call the school to make an appointment with the Finance Office or email your questions to Dee Ray at accsregistration@adamschristian.org.
