

Dear incoming 5th grade students,

This summer we want you to take a journey to the Canadian Wilderness.

Thirteen-year-old Brian Robeson is on his way to visit his father when the single engine plane in which he is flying crashes. Suddenly, Brian finds himself alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother has given him as a present -- and the dreadful secret that has been tearing him apart ever since his parents' divorce. But now Brian has no time for anger, self-pity, or despair -- it will take all his know-how and determination, and more courage than he knew he possessed, to survive.

Students will need to be prepared to take an A.R. test on this book by Friday, August 14th. This test will count as a test grade in the grade book.

This book can be purchased through any major book store (including Dixons downtown Natchez), Amazon, or can even be checked out at our local library. If you have any questions please feel free to reach out.
